FOR IMMEDIATE RELEASE

Westbound State Route 37—Just West of Mare Island Speed Reduced to 35 MPH during Construction Work

SOLANO COUNTY— The California Department of Transportation (Caltrans) is performing paving work on westbound State Route 37 (SR-37) just west of Mare Island between Solano and Sonoma Counties for two consecutive days starting Monday, December 22.

The work is scheduled Monday, December 22, and Tuesday, December 23 from 9:00 AM until 5:00 PM both days.

For worker and public safety, the shoulders on westbound SR-37 will be closed, and signs cautioning drivers to the reduced speed limit of 35 miles per hour in the work zone will be posted.

Please remember to “slow for the cone zone” and if possible, “move over” when you see crews working on California highways.

Culinan Ranch Wetland Restoration Project-Addition Information

The SR-37 work is related to the Cullinan Ranch Wetland Restoration Project. The Culinan project is a wildlife conservation project which will breach the levees near SR-37. The project site is adjacent to SR-37.

The wetland restoration is a joint project by Ducks Unlimited, the U.S. Fish and Wildlife Service, the California Department of Fish and Game, and several other area agencies.

For more information on the Culinan Ranch Project, go to its project webpage at: www.restorecullinan.info
